## CIRCULAR

The Standing Committee of the Academic Council at its Emergency Meeting held on 18 February 2021 discussed the possibility of reopening the University for in person classes at the earliest. However, the Committee noted that in view of the resurgence of the Covid -19 virus in some states, the Committee decided that the University shall not conduct in person classes until 31 March 2021.

The Committee prioritizing the safety and the well-being of the students, decided not to conduct in person classes.

The University is exclusively dedicated to the study of humanities and does not have Science, Engineering or Technological subjects that require in person access to the laboratories for experiments.

In view of the above, the Committee resolved that the classes will continue to be conducted in online mode until 31 March 2021 after which the situation will be reviewed.

All the students and members of staff are advised to visit the official website of the University for further updates.
