

The Vice Chancellor recently launched the 'Free Bicycle Facility' for use on the Campus to promote environment friendly mobility. The students, teaching, and non-teaching staff can avail themselves of this facility.

The following are the guidelines in continuation of the earlier ones for the use of the bicycles:

1. The following designated parking spaces will have five cycles each:
 - i) In front of the Mahlaq Bai Chanda Hostel for Women
 - ii) In front of the Basheer Hostel for Men
2. A user can take a bicycle by depositing their original identity card with the security personnel at the parking place.
3. Users should enter their names and sign in the register kept with the security personnel, and record the time of borrowing the bicycle. Student users have to provide details of their programme/department, mobile number, Hostel, and room number.
4. When they return the bicycle, they have to sign and note the time.
5. Bicycles can be used between 6.00am and 6.00pm, and only for one hour a day per user.
6. During the one hour of the use of the vehicle, it is the responsibility of the user to ensure that the bicycle is not damaged.
7. In case the user does not return the bicycle after one hour, he/she will not be allowed to avail the free bicycle facility thereafter.
8. Bicycles numbered 1-10, stationed at Gate No. 2, only will be allowed to be taken out of the Campus. It is the responsibility of the user to ensure that the bicycle is not damaged and is returned at Gate No. 2 only within an hour. In case the bicycle is damaged the user should get it repaired to the satisfaction of the authorities within three days. In case the bicycle is lost or is beyond repairs, the user should either replace the bicycle with a new one or pay the market price of the bicycle.
