**SEMESTER VI (JANUARY - APRIL 2023)**

**COURSE DESCRIPTION:**

**C13: Text Kanji and Grammar-VI**

This course will use some representative texts like newspaper reports, magazine articles, essays and fiction to enable students to read and understand advanced level Japanese language and facilitate an understanding of Japanese culture. Also, depending upon the requirements of the class, contemporary juvenile literature and novellas will also be introduced.

**C14: Oral Expression IV**

This course will introduce strategies that will help the student monitor, assess and self-improve their listening and speaking skills to achieve advanced level oral competence equivalent.

- o Roleplay (Group Discussion/One to One Interview/business interview preparation etc.)
- o Expressing viewpoints (abstract topics, social situations etc.)
- o Business Etiquette & Communication (taking phone calls, conveying messages, looking at graphs giving opinions )

**SEC- 2: Translation and Interpretation 2**

In this course the students will further improve their skills of translation and interpretation by dealing with texts related to business, politics, economy etc. and further learning the techniques of shadowing, retention etc.

**DSE 4/Contemporary Japan and Japanese Society 2**

This course will cover issues related to contemporary Japanese society. This course will be topical dealing with issues such as

- o Class and Stratification
- o 'Japaneseness', Ethnicity and Minority Groups
- o Popular Culture and Everyday Life
