Online Education

1. Does all programs/courses were completed on time.	Yes
--	-----

2. Measures taken to complete the syllabus of courses and programs.		The English and Foreign Languages University prepared a detailed Academic Calendar for the year 2020-2021 for all three campuses (Hyderabad, Shillong and Lucknow) in advance, specifying the period for instruction, internal assessment, semester-end examinations and declaration of results. In an orientation programme at the beginning of every semester, students were guided with regard to each stage of academic activities during the semester concerned. Immediately after the onset of the Covid-19 pandemic, the University made a seamless transition to online teaching and learning. Online classes were conducted in accordance with schedule outlined in the Academic Calendar, with some flexibility necessitated by the situation arising from the spread of the pandemic. Similarly, the University was also able to conduct continuous assessment tests and semester-end examinations in accordance with schedule announced in the academic calendar, but with due recognition of the needs and difficulties of both students and teachers. The University procured a Learning Management System (LMS) for the benefit of students and teachers, making effective use of technological possibilities furnished by new avenues of electronic learning. The Learning Management System facilitated online enrolment of students for each course, sharing of web links for scheduled classes, uploading of learning materials, and conducting of examinations in various formats, including proctored sit-in examinations. Additional electronic resources were made available by the EFL University-Ramesh Mohan Library to undergraduate, postgraduate and diploma students as well as research scholars to enable them to fulfil the academic requirements on time. The EFL University was one of the first institutions of higher education in India to conduct PhD viva voce examinations in the online mode, which facilitated participation of examiners from remote regions and award of doctoral degrees without delay. For the first time, examinations of programmes in the distance mode were also conducted online. In accordance with UGC orders, the University adopted a six-day week schedule of academic activities. These measures immensely helped in planning and completing the syllabus of various courses and programmes, especially at a time of unprecedented difficulties and challenges associated with the Covid-19 pandemic.
