

## Dr.Supriya Sakamuri Profile

Supriya Sakamuri holds a Doctorate and M.Phil in Mass Communication and Journalism. She has postgraduate degree in Communication with specialization in Television Production from the University of Hyderabad,. With over 32 years of experience in television film production, Sakamuri specializes in creating impactful documentaries and educational films.

In 2024, her MOOC module *Dialogue-1* earned the Best MOOC Award from CEC-UGC at the 25th CEC-UGC Educational Film Festival. Previously, her film *Global Warming* won the “Best Educational Film of the Year” award from UGC-CEC in 2008. Her public service advertisement *Save Water Save Life* was nominated by CMS Vatavaran for its fifth film festival and was also showcased at the Beijing Film Festival. Additionally, her works, including *Iran-Hyderabad: A Cultural Bond* and the series *Ancient Indian Dances and Contemporary Voices*, have received significant acclaim from film and media professionals.

Sakamuri has produced over 600 educational films for platforms such as Doordarshan’s higher educational channel Vyas, NMEICT, SWAYAM MOOCs, and various DTH channels. Beyond production, she serves as the MOOCs Coordinator and SPOC for SWAYAM MOOCs at the Educational Multimedia Research Center (EMRC) at EFLU.
