#### 7. Change in name

For the purpose of certification and all official records, your name as recorded in your secondary school certificate will be taken into account. In the case of women participants, for change of name after marriage or divorce, a marriage certificate or a certificate from a competent issuing authority is acceptable. Change of name in the case of men will be accepted only on submission of documentary evidence (i.e., gazette notification or certificate from a competent issuing authority).

#### 8. Change of address / email id / phone number

Please send us an email whenever there is any change of address / email id / phone number. Do not ask for frequent changes of address or for short periods of time. Rather, make arrangements for re-direction or safe forwarding of all communication.

#### 9. Some general guidelines

Please go through *Your Handbook for the M.A. Programme* and the circulars issued by us from time to time and follow the instructions carefully. We would in particular request you to do the following:

- a. Write your roll number, name, address, assignment number and the name of the course on the cover sheet for each assignment separately.
- b. Check whether you have written your **complete roll number correctly**.
- c. Write the answer for different courses and different assignments on separate sheets. Pin each assignment separately **with a separate cover sheet**. We have sent you one sample cover sheet. You will need to photocopy 16 cover sheets – one for each assignment. **Each individual assignment must have a cover sheet**. If you send an assignment without a cover sheet, we will be constrained to return it. When you are sending in assignments, ensure that all assignments pertaining to a course are kept together in serial order. Also, please send in an email while sending assignments by post (do mention your complete roll number and all the details of the assignments sent) if you wish to receive an acknowledgment.
- d. Do not send **Points for Clarification** along with the assignments. Send them separately.
- e. *Send assignments by Registered Post/ Speed Post, or through a reliable courier*, even though it is a little expensive. This will avoid any chances of

assignments getting lost. We accept both handwritten and typed assignments. But online/ e-mail submission of assignments is not allowed.

**If possible, keep a photocopy of the assignments with you.**

We have repeated here some of the information given in *Your Hand Book for the M.A. Programme*. Other information that is not covered by the handbook will be conveyed to you through circulars from time to time. If you have any queries, or if you wish to offer any suggestions, please feel free to write to us. You should always address your communications to:

Please check if you have received all the materials that are being sent herewith. **Please fill in the 'Acknowledgement' and return it to us by 31 March 2020.** If anything is missing do let us know immediately. We may not be in a position to supply any materials or assignments that might need replacement if you do not inform us about it by **31 March 2020.**
