9. Some general guidelines

Please go through the *PGCTE Handbook* and the circulars issued by us from time to time and follow the instructions carefully. We would in particular request you to do the following:

- a. Write your roll number, name, address, assignment number and the name of the course on the cover sheet for each assignment separately.
- b. Check whether you have written your **complete** roll number **correctly**.
- c. Write the answer for different courses and different assignments on separate sheets. Pin each assignment separately **with a separate cover sheet**. We have sent you one sample cover sheet. You will need to photocopy 33 cover sheets – one for each assignment. **Each individual assignment must have a cover sheet**. If you send an assignment without a cover sheet, we will be constrained to return it. When you are sending in assignments, ensure that all

assignments pertaining to a course are kept together in serial order. Also please enclose a self-addressed post card while sending assignments (with all the details of the assignments sent) if you wish to receive an acknowledgment.

- d. Do not send **Points for Clarification** along with the assignments. Send them separately.
- e. **Send assignments by Registered Post/ Speed Post, or through a reliable courier**, even though it is a little expensive. This will avoid any chances of assignments getting lost. **We accept both handwritten and typed assignments. But online/ e-mail submission of assignments is not allowed.**
