7. **Change in name**

For the purpose of certification and all official records, your name as recorded in your secondary school certificate will be taken into account. 8. **Change of address / email id / phone number**

Please send us an email whenever there is any change of address / email id / phone number. Do not ask for frequent changes of address or for short periods of time. Rather, make arrangements for re-direction or safe forwarding of all communication.

9. **Some general guidelines**

Please go through *Your Handbook for the M.A. Programme* and the circulars issued by us from time to time and follow the instructions carefully. We would in particular request you to do the following:

- a. Write your roll number, name, address, assignment number and the name of the course on the cover sheet for each assignment separately.
- b. Check whether you have written your **complete roll number correctly**.
- c. Write the answer for different courses and different assignments on separate sheets. Pin each assignment separately **with a separate cover sheet**. We have sent you one sample cover sheet. You will need to photocopy 16 cover sheets – one for each assignment. **Each individual assignment must have a cover sheet**. If you send an assignment without a cover sheet, we will be constrained to return it. When you are sending in assignments, ensure that all assignments pertaining to a course are kept together in serial order. Also, please send in an email while sending assignments by post (do mention your complete roll number and all the details of the assignments sent) if you wish to receive an acknowledgment.

- d. Do not send **Points for Clarification** along with the assignments. Send them separately.
- e. *Send assignments by Registered Post/ Speed Post, or through a reliable courier*, even though it is a little expensive. This will avoid any chances of assignments getting lost. We accept both handwritten and typed assignments. But online/ e-mail submission of assignments is not allowed.

If possible, keep a photocopy of the assignments with you.

We have repeated here some of the information given in *Your Hand Book for the M.A. Programme*. Other information that is not covered by the handbook will be conveyed to you through circulars from time to time. If you have any queries, or if you wish to offer any suggestions, please feel free to write to us. You should always address your communications to:
