

The Vice Chancellor has launched the 'free bicycle facility' for use on the Campus to promote environment friendly mobility. The students, teaching and non-teaching staff can avail themselves of this facility.

The following are the guidelines for the use of the bicycles:

1. Five cycles each will be stationed at the following designated parking places:
  1. Gate No. 2
  2. Library
  3. In front of Mahlaq Bai Chanda Hostel for Women
  4. In front of Basheer Hostel for Men
2. Users can take a bicycle by depositing their original identity cards with the security personnel at the parking place.
3. Users should enter their names and sign in the register kept with the security, and note down the time of borrowing the bicycle. In addition, they have to provide details of programme/department, mobile number, hostel, and room number (if you are a student).
4. When they return the bicycle, they have to sign and note the time of return.
5. Bicycles can be used between 6.00am and 6.00pm, and only for 30 minutes a day.
6. During the 30 minutes of the use of the vehicle, it is the responsibility of the user to ensure that the bicycle is not damaged.
7. In case the user does not return the bicycle after 30 minutes, he/she will not be allowed to avail the free bicycle facility thereafter.
8. Bicycles are for use on the campus alone. Users are not allowed to take them either inside the hostels (students) or outside the campus. Violation of the rule will call for strict action.
